Course Overview

AMS2047: Women and Power

Duration: see customizable options in the table below

This seminar is designed for high potential women wanting to move their career to the next level. Participants will have the opportunity build relationships with other executive women to strengthen their support network. Focus areas include assessing business acumen, developing a personal brand and leadership legacy, as well as sharpening personal and professional competencies. Participants will emerge from the seminar with a strategy designed to give clarity and purpose to their leadership role intended to boost their career to the next level.

Content Learning Themes:
- Identify ways to be more strategic to “get a seat at the table”
- Identify key leadership behaviors
- Strategize communications techniques for effectiveness with superiors, subordinates, and peers
- Identify motivators to develop a cohesive team
- Identify development opportunities for self and others
- Learn to motivate and influence others by identifying their strengths
- Strategize ways to build functional and cross functional expertise
- Identify ways to build relationships both internal and external to the organization
- Identify areas for being a catalyst for change
- Adopt systems thinking
- Identify technology tools to manage demands effectively

Customize Your Learning Experience:
AMS offers a complete Blended Learning Solution (BLS) designed to provide content topics in support of instructor led programs. The objectives of this Blended Learning Solution are to provide participants with industry and organization specific knowledge, current best practices, and competency-based learning utilizing multiple delivery models in the most cost effective way.

Who Should Attend
This executive leadership program is designed for women managers who aspire to positions of greater authority and influence within their company or organization. This program is also designed for new mid-level and senior-level managers leading teams with direct reports, as well as women entrepreneurs and women business owners.
